

Guest WiFi Usage Policy

At Harrogate Lifestyle Luxury Serviced Apart Hotel we are pleased to offer complimentary WiFi to enhance your stay with us. To ensure fair usage and optimal performance for all guests, please adhere to the following guidelines:

1. **Permitted Usage:**
 - Online browsing
 - Sending and receiving emails
2. **Prohibited Usage:**
 - Streaming videos or music
 - Downloading or uploading large files
 - Online gaming
 - Any other activities that consume large amounts of bandwidth

Guests are strictly prohibited from plugging in their own devices to our wifi access points. You must not disconnect or remove any cables for our wifi access point in an attempt to connect your own device, as this can affect the service stability and other devices in the building.

Guests are not authorized to make any adjustments to our wifi provisions in the apartment.

By using our WiFi network, you agree to comply with these guidelines. Failure to adhere to this policy may result in restricted access to our WiFi services. Thank you for your understanding and cooperation.

For any questions or issues, please contact our front desk.

Enjoy your stay!
